

Call for Papers

UTAH WINTER Accounting Conference

Overview: The Utah Winter Accounting Conference brings together top accounting scholars for lively discussions over two days in February each year. The conference aims to offer both a high-quality program and ample opportunity for informal interaction.

The 2023 event is scheduled for Thursday, February 23rd through Saturday, February 25th in Salt Lake City, Utah.

Paper Submission Procedure: We invite submissions of high-quality, unpublished empirical and theoretical research. As always, we favor research that will benefit from presentation to our audience.

To submit a paper, please visit the Utah Winter Accounting Conference website at

<http://www.utah-wac.org/2023/submission.html>

and upload your paper in PDF format. The submission deadline is **Saturday, November 12th, 2022**. There will be a \$100 submission fee for each paper. Members of the program committee will review all submissions, and we expect to announce the final program and send out conference invitations in January.

Contact Information: General information about the conference, including past programs, is available at the conference web site:

<http://www.utah-wac.org>

Please direct questions to Marlene Plumlee (marlene.plumlee@eccles.utah.edu) at the University of Utah.
