

Call for Papers

Overview: Now in its **tenth** year, the Utah Winter Accounting Conference brings together top accounting scholars. The conference aims to offer both a high-quality program and ample opportunity for informal interaction.

The 2010 event is scheduled for Thursday, February 18 through Saturday, February 20 in Salt Lake City, Utah.

Paper Submission Procedure: We invite submissions of high-quality, unpublished empirical and theoretical research. As always, we encourage submissions by junior faculty and favor research that will benefit from presentation to our audience.

To submit a paper, please visit the Utah Winter Accounting Conference web site at

<http://www.utah-wac.org/2010/submission.html>

and upload your paper in Adobe PDF or Microsoft Word format. The submission deadline is Friday, November 13, 2009. All submissions will be reviewed by members of the program committee, and we expect to announce the final program by mid-December. Invitations to attend the conference will be sent out by December.

Contact Information: General information about the conference, including past programs, is available at the conference web site:

<http://www.utah-wac.org>

Questions can be directed to Marlene Plumlee (marlene.plumlee@utah.edu) or Rachel Hayes (rachel.hayes@utah.edu) at the University of Utah.

Program Committee: Marlene Plumlee (co-chair), University of Utah
Rachel Hayes (co-chair), University of Utah
Christine Botosan, University of Utah
Bob Holthausen, University of Pennsylvania
Christian Leuz, University of Chicago
Russ Lundholm, University of Michigan
Ross Watts, MIT
